Space to Soar

We have some exciting development plans for the school.

The junior school has had a major face-lift over the summer.

New plans for the senior school are now available [to view](#).

Welcome to our new look alumni e-bulletin which includes news from former pupils and parents, and details about forthcoming events.

It was lovely to see many of our 2011 leavers and their parents earlier this term. We hope the 5 year reunion will become a regular fixture in the diary so if you left the Hall in the summer of 2012 keep an eye out for details. Next will be the 10 year reunion for all those who left in 2007.

This term, we are holding an informal drinks evening for anyone who has supported the school over the years. All are welcome to come and hear about the future of the school and have a look at some of the very exciting development plans.

If you just want to meet up with friends from The Hall, log on to our [interactive website](#) or email alumni@hallschool.co.uk and we will help you get in touch. Don't forget to keep us up to date with your news and achievements and make sure we have your up to date email address so that we can keep you informed of future events and reunions.

Distinctive Lives

Recognize the face? To find out about Nick
Mason's (OH 57) Distinctive Life and many other
notable former pupils, visit the Distinctive Life

The Archive

Visitors to the archive recently have included
Tom Harding (OH 81) who was researching the
life of a fellow former pupil for his new book.

New archive projects include a plan to digitize all
the old magazines so that they are available as
an online record. If you could or would like to help
us with this project please contact

alumni@hallschool.co.uk.

We are also putting together a gallery of old images. If you have pictures from your days at the Hall please send them to us and we will add them to the gallery.
